Belvoir Castle & Gardens 11th June 2025 - £43.00*

***Includes Castle & Gardens admission and tour (normally costing £29)**

This trip is to a famous destination which is almost local and yet is tantalisingly hard to reach. Belvoir Castle has been the backdrop to so many films and dramas including

The Crown, The Young Victoria and Victoria & Abdul. We have booked tours so you get the best information and stories about the magnificent State Rooms. The guides will talk about the centuries of history, art, and royal heritage which come together in stunning architectural and decorative

displays. The Castle houses an impressive collection of artworks, including paintings by renowned artists. The rooms have historic furniture, and priceless artifacts that tell the story of British aristocratic life through the centuries.

You will also have ample time to visit the beautiful gardens which include formal gardens and woodland walks. You can also visit the retail village offering everything from fresh local produce to luxury fashion, homewares, and garden essentials.
